THE WITCH'S TALE

Radio's Masterpiece of mystery, which provides New Zealand listeners with spine-prickling thrills, breathless suspense, appealing love interest, and romantic adventure, with a powerful climax in each series. These splendidly enacted Radio Dramas have been produced by actors who have reached the pinnacle of their profession and have achieved something different in the way of Radio entertainment. Each story is completed in two 15-minute episodes, so, don't forget—listen for Radio's outstanding drama—The Witch's Tale.
