"RECORD" PATTERN SERVICE

The scallop shell stitch in this jumper is most ingenious in the way it unobtrusively achieves a slimming effect. Novel though it looks, it is very easy to do and more than repays the experiment. Design this charming jumper with three-cornered jabot frills, as shown, to soften the plain neckline.

Pattern No. K14 contains illustration, material requirements, measurements and full instructions for knitting and make-up of the jumper.

Send sevenpence in stamps for this pattern to:—

"RECORD KNITCRAFT," P.O. Box 1680, WELLINGTON.

Write plain pattern number K14, your name and address.
