

Selling Like "HOT CAKES"

THE "AERITROL"

FIVE GOOD REASONS

Why You Will Want An
"AERITROL"

For Marvellously Improved
Reception!

1. It will separate interfering stations.
2. It will reduce noise level and interference.
3. It will increase volume of weak stations.
4. It will eliminate outdoor and indoor aeriels. Acting as a perfect aerial eliminator.
5. It controls volume from powerful local stations.

INSTALLED IN A FEW MINUTES,
WITHOUT TOOLS.

A safe, scientific device which uses no electricity and costs nothing to run, and works on all types of receivers, old or new, battery or electric. Increases volume equivalent to adding an extra valve. Strong metal case, in crackle finish. Full directions with each.

PRICE ONLY 27/6 Post
Cat. No. R.A. 1 Free.

TRY IT AT OUR RISK!

Send for an "AERITROL" to-day, try it in your own home for seven days. If at the end of that time you are not thoroughly satisfied with it, return it, and we will return your money in full.

HEAL DISEASE WITH LIGHT RAYS!

Here's the famous Radiating SUNLAMP, a simple, safe and economical way of employing LIGHT THERAPY (as the best authenticated healing agent). It is a hand lamp that promotes strongly concentrated rays of light and heat upon the affected part. Relieves pain in the case of Neuralgia, Gout, Rheumatism, all nerve complaints, skin diseases, discharging Eczema and open wounds.

The 1938

"MONEY-SAVER"

DUAL WAVE KIT SET!

This receiver has been built with the following ideas in view: It must be extremely inexpensive to build; performance must be of a high order, and the construction and alignment must present no undue difficulties. We have achieved these ideals! No great amount of skill is needed for the job, and any handyman can assemble the receiver in a few hours.

SEND FOR JUNE RADIOGRAM

... which gives full particulars of the "Money-Saver" Kit, including diagrams and instructions.
