FIRST DOSE ENDS SOUR STOMACH

SOUR, acid stomach, burning pain soon after food is taken, griping twisting agony, point most surely to the fact that the lining of the digestive tract is becoming inflamed or even ulcerated. Sufferers should lose no time in getting a remedy which will not only give immediate relief but treats their stomach trouble in a commonsense way. De Witt's Antacid Powder has been specially prepared to meet the complicated nature of indigestion.

De Witt's Antacid Powder **Firstly** neutralises the excess acid and renders it harmless to the inflamed stomach. The pain of flatulence is relieved and there is an immediate feeling of well-being.

Secondly, the valuable Colloidal Kaolin protects the inflammation or ulcers in the stomach from the burning acids, but allows the ordinary work of digestion to go on.

Thirdly, another ingredient actually digests a portion of your food, taking a further load off the weak stomach.

Persistent use of De Witt's Antacid Powder regulates the system so that you can digest your food. There is no excess acidity and pains vanish.
