

SPRING CLEANING

the time to make
your home spick
and span . . .

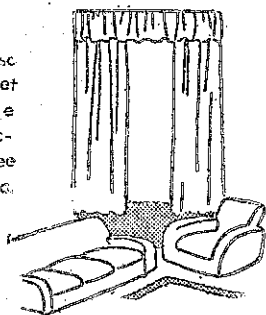

..to renovate
and decorate!

Bright Ideas throughout the home !

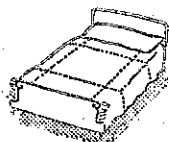

Like a morning in
Spring Cesarine brings
colourful harmony and
appealing freshness
to your breakfast
table !

Bright and ever so
serviceable—dainty, yet
durable—Cesarine
makes the most attrac-
tive curtains, settee
and cushion covers, etc.

Gay colours that always
retain their freshness.
Be modern . . . choose
your new bedspread
from Cesarine's 64 en-
trancing shades !

It's time to set your house in order, for the birds and buds are
all astir, heralding the dawn of Spring. So don your apron,
lady fair, and, with soap and scrubbing brush, polish, mop and
broom, get busy !

And when at last your task is done, and all is fresh and bright,
you'll begin to scheme and plot and plan—to think of reno-
vations and alterations that would make your home like new.

A gay, colourful bedspread to brighten the spare room, new
curtains in the sunporch, and jaunty, spruce covers to trans-
form those faded chairs. Of course, you'll make your new
furnishings yourself, and of course you'll use CESARINE—the
Wonder Cloth ! Variety is the keynote of CESARINE—the
ideal material for furnishings of every description. Sixty-four
bewitching shades to choose from, and every one guaranteed
colour-fast to sun and boiling !

Every year smart women find new uses for
CESARINE—the sturdy, all-British fabric that
always looks smart, stands up to the hardest wear
and launders perfectly.

Curtains, chair covers, bedspreads, smocks, school
tunics, uniforms, housefrocks—these are but a few
of the bright ideas you can create in this all-
purpose, non-fading material.

Available in a host of delightful shades, CESARINE
is 36 inches wide and costs only 1/11 a yard !
