A NEW session, Mondays, Wednesdays and Saturdays, at 4.45, is being taken up by Thea, of 1ZB. Within a few months it will be extended to each weekday at this time. Newly returned from a visit to Australia, Thea insists that she is now enjoying the rest she originally went to Sydney to have!

Time Alteration

TIME alteration for 2ZB's provincial hours fixes the Hawera session at 4 p.m. Tuesdays, and the Wairarapa session at 10.45 a.m., Thursdays. Beginning on August 5, the informative Shoppers' Guide will be heard at 10.45 a.m. Fridays.

Appointment

RECENT changes on the advertising executive of the NCBS include the appointment of Mr. Ken Kearney as advertising manager at 1ZB, Auckland. Mr. Kearney is one of New Zealand's most experienced advertising men, having occupied several highly important executive positions on the staff of the Goldberg agency, with headquarters at Wellington. Prior to acceptance of his new post, Mr. Kearney acted as advertising manager for a short period at 3ZB Christchurch. He will be succeeded at 3ZB by Mr. Edgar J. Thomson, formerly of the advertising staff of 4ZB Dunedin.

Harmonists

STEADILY growing in favour with listeners is the group known as the "Swing Time Harmonists." Trio of women's voices, these singers are all Wellingtonians, and present popular numbers in a style reminiscent of the famous American Pickens Sisters 2YA will again broadcast this talented trio on August 11.

Sidelights

"SIDELIGHTS of Wellington," made popular in the early days of 2ZB by Aggie, are to be reintroduced shortly by Ian McKay, who has recently been handling this always interesting outside broadcast at 3ZB, Christchurch.

Dunedin Amateur

DUNEDIN repertory wanderer who will shortly return to Dunedin is Mr. Lester Moller. He left Dunedin in July, 1935, as the holder of a Rhodes Scholarship; left London again last July 31 for Dunedin. While at Oxford, Mr. Moller obtained his degree of B.C.L.

(Oxon.). Before leaving England, he sat for his Oxford degree of bachelor of literature, but the results are not yet to hand. Mr. Moller had just risen to a place of prominence with the Dunedin Repertory Society when he left, and while away he was president of the Brasenose Players, and played leads in outstanding productions of the Oxford University Dramatic Society.

At Newcastle

"BENNO" and "Betty," formerly of the staff of 2ZB, are now in Newcastle, Australia, according to latest advice received by the NCBS. "Benno"

Mr. Trevor Robertson, first-assistant technician at the transmitter, has been promoted to the position of chief technician at Gebbie's Pass, where 3YA's transmitter is situated. He left Auckland last Monday for his new job. He is an enthusiastic airman and yachtsman and only last year went to Sydney with the other members of the crew of his yacht and sailed her in the sesquicentenary celebration races. A member of the Territorial Air Force he will find it difficult to get to the 'drone now, for Gebbie's Pass is a long way from Wigram.

On Sunday Nights

THESE days—Sunday nights anyway—one needn't go out of one's house to enjoy tip-top entertainment. Take last Sunday evening, for instance, when 1ZB provided a dazzling feast. First of all the station relayed Penn Hughes, the Australian organist
