

THE

Perfect Gift

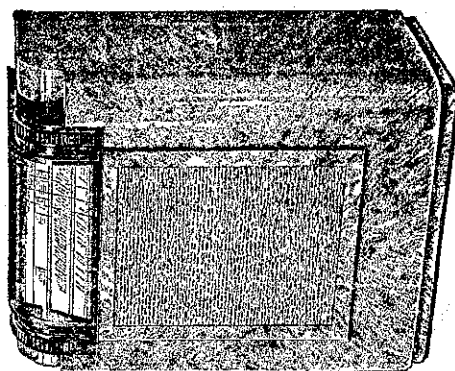

EKCO

BRITAIN'S BEST RADIO

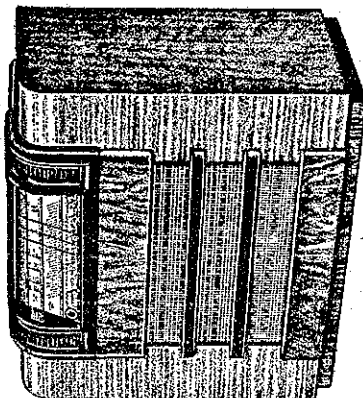

EKCO, Britain's Best Radio, makes the best gift of all. The marvellous new and attractive 4-Valve Portable Set is absolutely complete in itself and can be taken anywhere—it's the ideal Receiver for picnics, camps, caravans, boats—in fact, the perfect Receiver for all purposes, including home use. Call and see it working.

New EKCO features include:—
SPIN WHEEL TUNING WITH BUILT-IN CONTROLS—Mystic Bye Tuning; Nine-Inch High Fidelity Moving Coil Speaker, free from resonance; Automatic Volume Control operative on all wave bands; Continuously Variable Tone Control and Tone-compensated Volume Control; Gramophone Pick-up Sockets with Switch; External Speaker Sockets with Internal Speaker Switch.

SPIN WHEEL TUNING WITH BUILT-IN CONTROL—Most exact tuning of any radio no knobs... Just a flick of the finger and the indicator glides along the scale... a touch and it stops, dead in tune. EKCO has the supreme precision-built tuning system.
BUILT-IN CONTROLS—Eliminate knobs and have made possible outstanding Cabinet designs—distinctive in modern simplicity. **HEAR THIS! SENSATIONAL RADIO AT YOUR LOCAL DEALERS!** If you are unable to call, phone or write for a FREE Home Demonstration.
