Drawing a long bow at the left is comely young Margaret Lindsay. They say archery's coming back into favour.

At top: Errol Flynn demonstrates a most efficient way of severing a head, though the other gentleman has very fortunately ducked. The scene is from Warner Brothers' Technicolor production of "Robin Hood." Top right: Eloquent scene from "You Can't Take it With You," Frank Capra's fine comedy. Gentleman in spats is Mischa Auer and his companion is Ann Miller. Below: Melvyn Douglas is "on the spot" whichever way he turns. Menace at right is Florence Rice, and the scene is from M.G.M.'s "Fast Company."
