

A Cartoonist Records Hollywood's Strange Facts

SEEIN' STARS

by FEG MURRAY

Registered U. S. Patent Office

JOHNNY WEISSMULLER,
THE WORLD'S GREATEST
SWIMMER, NEARLY
DROWNED IN 5 FEET
OF WATER!
DURING THE FILMING
OF "TARZAN ESCAPES"
A STEEL CAGE, IN
WHICH JOHNNY WAS
LOCKED, ACCIDENTALLY
ROLLED DOWN AN EM-
BANKMENT, SUBMERGING
HIM FOR MORE THAN A
MINUTE.

BEFORE **NORMA SHEARER** AND **TYRONE POWER**
CAN KISS ON THE SCREEN, THE HELP OF 200 UNSEEN AND UN-
SUNG WORKERS IS REQUIRED. ARTISTS, WRITERS, MUSICIANS,
DIRECTORS, CAMERAMEN, LABORERS, ENGINEERS, ELECTRI-
CIANS, CARPENTERS, PAINTERS, MAKEUP EXPERTS,
STENOGRAPHERS AND SCORES OF OTHERS, ALL ARE
A PART OF THE ELABORATE MACHINERY THAT MAKES
SUCH A CLOSE-UP POSSIBLE.

BECAUSE
THE HEAT OF THE
STUDIO LIGHTS
HAS SO
DEPLETED
THE SALT IN
HER BODY,
**OLIVIA
DE
HAVILLAND**
HAS TO
DRINK A
GLASS OF
SALT
WATER
EVERY TWO HOURS!

"THEY'LL NEVER LIVE IT DOWN!"

ONCE WHEN
CLARK GABLE
WAS A BARNSTORMING
ACTOR HE GRABBED
FOR A QUICK DRAW
—AND SHOT HIMSELF IN
THE SEAT OF THE PANTS!

GABLE
BELIEVES
IN "BURNING
HIS BREECHES
BEHIND HIM!"

WARNERS DUMPED 1500 LBS. OF BLUE VEGETABLE DYE INTO THE STUDIO LAKE
BECAUSE THE WATER WASN'T BLUE ENOUGH TO PHOTOGRAPH IN TECHNICOLOR FOR "HEART OF THE NORTH."
