BACKACHE

A WARNING THAT SOMETHING IS WRONG WITH YOUR KIDNEYS

How often have you told yourself that your backache was due to over-tiredness—that you had been "taking too much out of yourself"? Make no mistake—those stabbing, sudden pains, or that down-dragging, dull ache, are Nature's warning of a trouble that may seriously undermine your health. Your kidneys are at fault—they are not discharging their duty.

If you try to carry on you will be giving yourself needless agony. What is more, you will be allowing poisons, uric acid among them, to spread all over the body, because your kidneys are too weak to filter them out naturally. This uric acid will then form crystals that lodge in the joints, giving rise to backache or rheumatism, and it may lead to scalding gravel or inflammation of the bladder.

Why suffer the maddening pain of backache, when De Witt's Kidney and Bladder Pills will bring certain, quick relief? You will have visible proof of this within 24 hours of taking them. No other pills will do this. Get a supply of De Witt's Pills from your chemist or storekeeper to-day. Price 3/6 and 6/6.
