What Wonderful Enthusiasm—

RCA RADIOLA 46

Everywhere Receives Hearty Welcome!

THE RADIO—Screen-grid Circuit with many refinements contributing to easy operation and life-like tone, two-in-one volume and tuning control; local-distance switch; special audio circuit for elimination of distortion, illuminated dial and magnified numerals.

THE CABINET—Beautiful two-tone walnut veneer with maple overlays, finished to RCA standards of craftsmanship.

THE SPEAKER—RCA dynamic reproducer of advanced design, to match the capabilities of this wonderful set for true and undistorted tone.

Don't wait another day. Hear RCA Radiola 46—RCA's finest set, the new screen-grid perfection. Antiquates anything you've ever heard. To-day's greatest value. Months in advance. Send for illustrated folder and address of nearest Radiola dealer.
