SENSATIONAL PRICE REDUCTIONS on Tenth Anniversary Radio

This is the greatest radio news of 1930! Tremendous increased production of Tenth Anniversary Radios has enormously reduced manufacturing costs. The Midwest Radio Corporation passes on this great saving in sensational price reductions! This is your big chance.

**MIRACO IS NOW MORE THAN EVER THE
WORLD'S GREATEST RADIO VALUE.**

In beauty, in performance, in tonal perfection—MIRACO sets a new standard for the entire radio industry. In MIRACO you get the leading features of other sets ALL IN ONE!—Sensitivity that is amazing, Power that is tremendous, Tone that is sublime . . . all enclosed in a beautiful hand-rubbed, solid walnut console of surpassing elegance and distinction.

MIRACO Tone is Ahead of All.
Hear it and prove it for yourself

THE MIRACO A.C.7. Seven valves (including rectifier), a worthy companion to the A.C.9. Mounted on a heavy steel chassis, polished aluminium shields, absolute single control, phonograph pick-up terminals, built-in Rola power speaker. Cabinet beautifully finished in walnut, hand polished and exactly similar in design to that of the A.C.9. A gem of beauty and performance at an amazingly low price. Former Price £43/10/-.

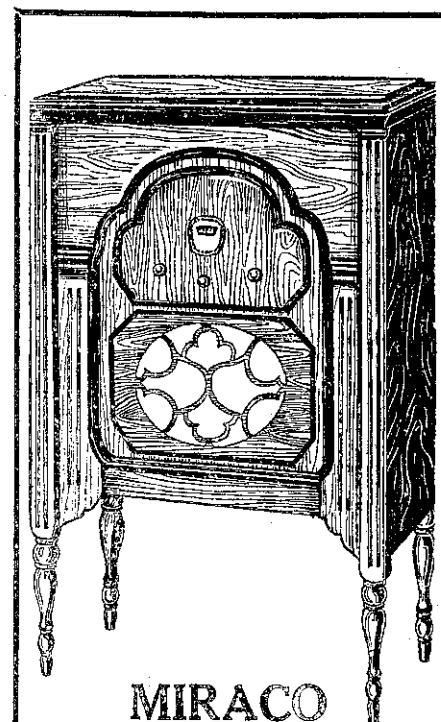

NOW £39/10/-

THE MIRACO A.C.9. Nine valves (including rectifier), Screen Grid in its proper place, absolute single control, new Rola Electro-Dynamic Speaker, high voltage power detection, 245 valves working at full voltage, Push-pull Audio, Phonograph Pick-up Terminals, Cabinet of specially selected solid walnut throughout, beautifully hand polished and built to New Zealand styles. Former Price £37.

NOW £50

THE PHONOGRAPH COMBINATION. Specifications exactly as in A.C.9. with high quality electric induction motor, absolutely silent in operation, automatic stop, new type Webster Pick-up, and space for record storage. Tremendous undistorted volume at will, with super excellence of tone. Former Price £77/10/-.

NOW £75
