

CROSLEY

Consult the local Crosley
Dealer about a Demon-
stration in Your Home.

*Screen-Grid
Tone-Tested
Lowest Prices.*

Four new Screen-Grid Models with the New Crosley Moving Coil Power Speaker. New tone quality is being developed through the services of a special TONE TEST STAFF which consists of such celebrated artists as Alma Gluck, Effrem Zimbalist, George Gershwin, and others.

Hitherto expert opinion of tone was not available in radio research, and the unquestioned judgment of these world-famous musical experts has done much to make Crosley reproduction the richest in Radio.

No wonder they are all buying
