Majestic
RADIO

MODEL 91.

"Mighty Monarch of the Air."

Actually over Two Million American families now own and are proud of Majestic Radios. In New Zealand alone over four thousand enthusiastic owners have selected Majestic sets in preference to all other makes. Surely that means something. Yes, it gives conclusive proof that Majestic Radio is easily the greatest achievement in Radio, and when you hear the Majestic you will quickly agree. For hearing is believing.

MAJESTIC VALVES

will improve radio performance. They add range and volume, improve tone.

From all Majestic Dealers.

True as life itself is the rich glorious tone of the Majestic. This tonal superiority is largely due to the new Majestic Colatura Dynamic Speaker. Equally outstanding features of the Majestic are its remarkable range, its selectivity, its sensitivity, and its freedom from A.C. hum and oscillation. While highest in performance, the Majestic also offers the lowest in price.
