

Let Sparkling and Amusing Maori Melody Entertain You and Your Guests at Home!

... and see that a Stewart-Warner Radio gives it to you, not only as the sound, but with the personality—the feelings—the emotions of the artist who plays or sings.

Stewart-Warner Electric Screen-Grid Radio also catches those delicate shades of feeling from the most distant stations in ample volume.

You rarely use full power, for Stewart-Warner, as thousands know, has proved itself "The Set with the Punch." Distant stations come booming in with all the strength and clarity of a local.

These refinements give you a radio you'll prefer to all others. Regardless of what set you now own, *in fairness to yourself*, see the new Stewart-Warner Radio—

"THE SET WITH THE PUNCH."

The Radio Division of Hope Gibbons, Ltd., cordially invites your inspection of all Stewart-Warner Radios at the Wellington Radio Exhibition.
