Two NEW Philips Radioplayers

TYPE 2610
RADIO CONSOLE

TYPE 2810
COMBINATION CONSOLE
(Both Mains Operated)

THESE embody the latest advances in Radio technique—effective screen grid amplification, new sensitive linear power detection, single lift audio amplification, new heavy duty penthode, and completely new dynamic speaker. These new features result in ample sensitivity, low background noise, and *unparalleled beauty of tone.*

No need to acquire a "Radio Ear!" All the subtle inflections of the voice—all the delicate tonal shades of music—all the detail, sparkle and colour—are there with *amazing naturalness.* Hear—compare—weigh up critically—judge for yourself.

See Philips Stands 15 and 16 at the Wellington Radio Exhibition, Town Hall, July 16th to 19th inclusive.
