

# Feature Peeps at Future Programmes

## SUNDAY

From Auckland

THE evening service will be relayed from St. Matthew's Church, the preacher being Canon C. H. Grant Cowan, and the organist Mr. J. H. Philpott. This will be followed by an exceptionally fine studio programme. The Salon Trio will again appear. The three young ladies who comprise this combination have firmly established themselves with 1YA listeners. They will be assisted by other good artists.

## 2YA Notes

PASTOR W. G. CARPENTER will be the preacher at Vivian Street Church of Christ on Sunday evening when the service will be relayed. The organist will be Miss Hazel Hunter. The Studio concert which will follow the church service will be given by the Wellington Municipal Tramways Band, who will include in their programme a selection from "Maritana," a fantasia, "The Old Rustic Bridge," and two marches. Bandsman Stevenson will play the cornet solo "Zelda," by Percy Code, the well known Australian composer. They will be well supported.

## Broadcast by 3YA

AT 3 o'clock a relay of the sacred cantata, "Faith" will be carried out from Wesley Church, Fitzgerald Avenue. The soloists assisting the choir will be: Miss Corrie Aslin, Miss Alice Vinsen, Mr. T. G. Rogers, and Mr. R. Lake. The organist will be Mr. A. M. Owen and the conductor Mr. J. Chaplin. At 6.30 the service in the same church will be broadcast, the preacher being Student W. H. Green-slade.

## Relayed from 4YA

A LECTURE on Christian Science to be delivered by Judge Samuel W. Greene, of Chicago, will be relayed by 4YA from the Concert Chamber of the Town Hall.

Pastor W. D. More will preach at St. Andrew's Street Church of Christ on Sunday evening when the service will be broadcast. At the conclusion the St. Kilda Band under Mr. J. Dixon will present a studio concert. The principal band item on this occasion will be an exceptionally brilliant "Selection of Sanderson's Songs," a famous band number arranged by Ord. Hume, while a novelty trombone fantasia entitled "The Joker," will also be heard. The recordings include one of the finest piano selections yet made, the "Organ Prelude and Fugue in A minor" (Bach-Liszt) as played by Mischa Levitski.

## MONDAY

Items from Wellington

MR. C. A. L. TREADWELL will give another of his series of talks on "The Rationalisation of Industry" at 7.40.

The 2YA concert promises to be one of outstanding merit, the vocalists all being artists of high standing, with several years of broadcasting experience. Miss Gwladys Edwardes, the soprano soloist, will be heard in a bracket of two folk songs, one Bohemian and the other Italian, and in a further bracket of two compositions by the popular English ballad composer, Montague Phillips. Two compositions of Teresa del Riego, "A Castilian Lament" and "Slave Song," together with Blumenthal's "My Queen," will be sung as baritone solos by Mr. S. Evelyn Rodger. Miss Hilda Chudley, a popular contralto, will sing "A Lament" (by Coleridge-Taylor) and Landon Ronald's "Spring," "Adelaide," one of Beethoven's famous songs, and Schubert's "Hark, Hark, the Lark," will be Mr. Edwin Dennis's contribution to the programme. Both of these numbers are good examples of German lieder, and their correct interpretation is assured.

An item of outstanding interest on the programme will be "The Quarrel Scene" from Sheridan's famous play "The School for Scandal." This will be enacted by Mr. Vryn Evans and Miss C. Nicholas, who will also be

The orchestra, under Signor A. P. Truda, will play supporting numbers.

## 3YA Selections

A series of talks on "Treatment and Care of the Hair" commences to-night. The first lecture will be given this evening, the speaker being Mr. L. Brice.

The band programme has been arranged by Mr. J. Noble, conductor of the Christchurch Municipal Band, which is now, under his direction, a much-improved organisation. The assisting vocalists will include Miss Augusta Painter (soprano), a pupil of Mr. Arthur Lilly, A.R.C.O., who makes her first radio appearance to-night.

## Notes from 4YA

MISS MAE MATHESON, soprano, will sing at 4YA this evening "Scenes that are Brightest" (from "Maritana"), and two solos from German's "Merrie England." Miss Gwenda Burt, contralto, will present, in addition to a ballad by Kennedy-Fraser, two musical comedy extracts, one from "Our Miss Gibbs" and the other from "The Belle of New York." Miss Burt is one of the principals in the production of "The Belle of New York," to be given by the Dunedin Operatic Society. Godard's "Angel's Guard Thee," and Harding's "Alysbury Ducks," will be two of Mr. Cachemaille's items. Mr. Cachemaille is the bass in the well-known local quartet "The Majors," and is the possessor of a broadcasting voice of exceptional quality and perfect diction. Mr. Stuart Falconer, baritone of the Harmonists Quartet, also appears on this programme. Galsworthy is to be introduced by Miss Marget Seelye, the eminent elocutionist, with a poem by that author, entitled "The Kings." In this recital Galsworthy writes in a manner similar to that of Massfield, Poet Laureate, and his treatment of this subject is of exceptional interest.
