

# 2510 radioplayer

**P**ERFECT tone is the outstanding characteristic of this beautiful Radioplayer. Behind its exquisite crystalline metal casing are housed the very latest achievements of the world's cleverest radio engineers. Speech is reproduced with every inflexion and shade of expression absolutely as delivered into the microphone. You hear music that will thrill you with its perfect purity, unmarred by the faintest extraneous noise, whether broadcast or from your favourite records. The nearest Philips Dealer will gladly arrange for a demonstration in your home.
