Home Recording.

In this instrument
Radiola presents the
highest development of
the famed Super-hetero-
dyne, to bring you the
wealth of fine radio pro-
grammes with a rich,
pure, mellow tone that
is thrilling in realism.
It places at your com-
mand the most highly-
perfected means of elec-
trical reproduction of re-
corded music, enabling
you to choose at will
your own programmes
from the vast recorded
library of the world's
favourite music—the
classics—the operas—the
popular ballads and
the latest hits from
Broadway.

All this in addition to
the new and intriguing
feature—Home Record-
ing.
