*Brilliant in Performance
Amazing in Price*

The New

RADIOLA 45E

WITH TONE CONTROL

Special features: New Zealand and Australian reception; full power dynamic speaker; exquisite tone quality, together with a high degree of sensitivity and a total absence of overlapping in reception; elimination of hum; beautifully designed cabinet.

Your Radiola dealer will gladly demonstrate Radiola 45E.

The New Radiola 45E is the greatest value in Radiola history to date. It is a wonderful Screen Grid Console Receiver with Tone Control, deliberately designed to give the greatest radio value ever offered.

A splendid console at little more than "midget" price.

"Radiola is Cheaper than an ordinary set"
