

## MR. WATT MAKES A PURCHASE

"WON'T be a minute, I'm just carrying these three Philips Replicas over to my American set. Great tubes these replicas—anyway I must say that I like to FEEL that the name "Philips" is on all my tubes."

"By the way my dealer offered me some 8/- or 8/6 tubes the other day, but not for me, I agree with the man that said, "Cheap valves are cheap in name only."
