In Radiola 45E,  
Screen-Grid, All-E  
CONTROL.

This new feature  
a small knob, to acc  
registers at will. I  
orchestra, just turn  
roll out of the back  
high sweet notes of  
true.

And besides Ton  
following features:

Australian and  
Full power Dyn

## THE ALL-BRITISH WONDER SET

Only Amalgamated Wireless, with their vast resources and highly-organised works, could produce such a quality set at such an amazingly low price. The new All-British Radiola 45E has been deliberately designed to give the public better radio value than has ever before been offered . . . a beautiful Console at little more than you would pay for an ordinary midget set.

*Inspect this  
remarkable  
receiver at the  
Wellington  
Radio Exhibition*

*or ask your Local  
Dealer for demonstration*

Amalgamated  Wireless  
(Asia) Ltd.

P.O. BOX 830, WELLINGTON.
