

PUBLISHED WEEKLY

THE RADIO RECORD

== HOME JOURNAL ==

Vol. IV., No. 51.

WELLINGTON, FRIDAY, JULY 3, 1931.

Price, 3d.

*A triumph of
British Engineering!*

RADIOLA 45E

gives the refinements of high-cost
radio receivers at sensationally low
price

Screen-Grid All-Electric;
N.Z. and Australian Re-
ception; Full-power
Dynamic Speaker; New
Tone Control feature.

A high degree of Sensi-
tivity and Selectivity. Eli-
mination of hum—and
other features which
make for greater radio
satisfaction.

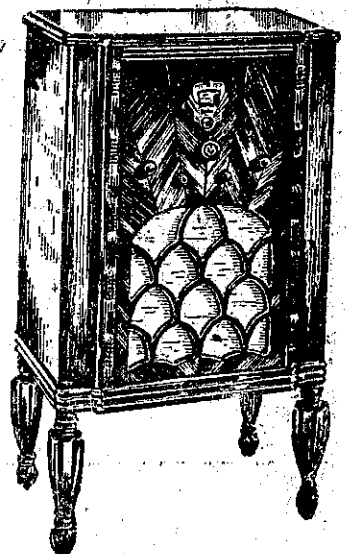

*A handsome All-British Console
at practically Midget Cost*

Amalgamated  Wireless

(Asia) Ltd.

P.O. BOX 830

WELLINGTON.

*Individuality and charm are expressed
in the artistically designed and pro-
portioned Console Cabinet. The
richly patterned panels and delicately
carved moulding are of the highest
grade workmanship, while the cabinet
is of specially-selected Walnut.*
