RADIOLA

Amalgamated  Wireless
P.O. BOX 830, WELLINGTON.

Sponsored by Amalgamated Wireless — New Zealand's Oldest Radio Organisation— offered at a price very little higher than you would pay for an ordinary midget set— is it any wonder that there is a phenomenal demand for Radiola 45E!

A British-built all-electric screen-grid Console Receiver with the new tone-control feature.

N.Z. and Australian reception; full-power Dynamic Speaker; high degree of Sensitivity and Selectivity; elimination of hum. Easily convertible into a Combination Set by means of the AWA Phono Unit.

Beautiful butt-walnut cabinet with richly-patterned panels and delicately carved moulding.

Hear and see this wonder set.
