LUXURY in miniature!

Three important factors
that make

RCA SUPERETTE

"the miniature that is really a radio"

RCA Engineering, RCA Acoustic Cabinets and RCA Manufacturing Facilities—greatest and most modern in the world—these three factors combine to give you a marvellous little 8-valve Superheterodyne at the low price of £32/10/-. Every feature necessary to radio enjoyment is contained in the RCA Superette—18½ inches high, 14 inches wide and 10 inches deep. See it. Ask your Radiola Dealer for a demonstration.

The SUPERETTE

An 8-Valve Super-Heterodyne employing screen-grid, tone colour control, improved volume control, push-pull amplification, cabinet in Butt Walnut or Georgian Brown finish.
