TRUE VOCAL TONE!

True Contralto, rich and full—Soprano notes, high and clear—you get them both, and all other voices and instruments, too, with lifelike realism—completely free from boom, blare and reverberation—in Gulbransen 53 Receiver. The new Automatic Volume Control eliminates all excess vibrations. Gives perfectly balanced harmony. Controls "blasting" and "fading." Lengthens the life of the pentode valve. Hear Gulbransen 53—a revelation in tone quality.
