- 4YA.
Oct. 19: "Scottish National Programme" (B.B.C.).
Oct. 27: "Postman's Knock" (B.B.C.).
Nov. 3: "Songs from the Shows"

INCLUDED in the programmes to be broadcast during the coming week is a generous sprinkling of recordings which have not hitherto been broadcast in the Dominion. The outstanding programmes of the week would appear to be the specially recorded B.B.C. programmes, three of which will be presented during the week, the relay by 2YA of the final Wellington community sing of the season, and the celebrity entertainment, "Trafalgar," to be broadcast by 4YA on Saturday, October 21, in commemoration of the Battle of Trafalgar.

CONCERTS of a bright and popular nature are scheduled by all stations for Monday evening. 1YA will relay wrestling from the Town Hall at 9.2 p.m.

TWO of the B.B.C. recorded programmes are scheduled for Tuesday evening at 8.14 p.m. 3YA will present the Scottish National Programme, and at 9.2 p.m. 2YA will present the Vaudeville Programme. 1YA schedules a programme of recordings, and from 4YA listeners will be entertained by the St. Kilda Band, with Miss Eva Scott (soprano),

and Mr. Joseph Holm (tenor) as assisting artists.

THE Wednesday evening programmes are of a light and popular nature and many excellent numbers are scattered through them. 2YA's recorded programme includes quite a number of recordings not hitherto broadcast in the Dominion. Special features will be a brief recorded recital by Norman Allin, England's premier basso; Richard Tauber in three of his latest recordings, and the band of his Majesty's Coldstream Guards in a selection of airs from the Gilbert and Sullivan opera, "Ruddigore."

NO doubt many listeners will have their sets tuned to 2YA on Thursday evening, when the station will relay from the Town Hall the final community sing of the season. The programme promises excellent entertainment for those who find enjoyment in this type of radio fare. Mr. Harry H. Coney, the popular baritone, will make a welcome reappearance at 1YA, and the Baileys will be heard in dramatic and musical sketches. 3YA's programme of recordings will include several new releases, and 4YA schedules the "Scottish National Programme," and a well varied selection of recordings.

A CORNISH song scena, "The Floral Dance," is the principal item on 1YA's programme for Friday evening. A selection of the latest recordings will provide the radio fare from 2YA.

The studio concert to be broadcast by 3YA reads well and should prove to be excellent entertainment. 4YA appears to offer the best entertainment for the evening—a programme by the Dunedin Orphans' Club. Some of Dunedin's leading artists are featured on this programme, which should prove to be one of the most enjoyable of the week.

IN commemoration of the Battle of Trafalgar, 2YA and 4YA will present appropriate programmes. The programme for 4YA will be one of the best programmes of the week. It will consist of a relay from the Dunedin Town Hall of a celebrity entertainment by prominent Dunedin artists. This programme will be relayed by station 3YA. 1YA's programme for this evening is of a light and popular nature, consisting of recordings, with incidental baritone solos by Mr. Gerard Peters, and items by the Marelle Instrumental Sextet. The second of the series of dramatic trials being broadcast by the four YA stations on Saturday evenings will be presented at 9.30 p.m. The case which listeners are asked to adjudicate upon on this occasion is a breach of promise action, in which a young girl claims £5000 damages from a wealthy business man who, it is alleged, broke off his engagement to her without justification.

THE after-church concerts on Sunday evenings are all of a high standard.

Listeners to 1YA will be entertained with a special feature, "An Hour with the Tenors." This feature, which was broadcast some weeks ago by 2YA, proved one of the most popular broadcasts for some considerable time past. 2YA schedules a very attractive programme by the 2YA Orchestra with Miss Molly Atkinson (mezzo soprano), and Mr. W. B. Brough (baritone) as the assisting artists. The outstanding feature of 3YA's programme will be the reading by Professor James Shelley of some of the dramatic lyrics of Robert Browning. This programme will be relayed by 4YA.
