

Between Australia and Italy

There are hundreds of Stations worth listening to, but owing to the time factor making tuning difficult, you must use the New **WORLD MAP and TIME CONVERTER.**

This neat and patented four-sheet folder, giving, simultaneously, an excellent rotary time converter, a world map in time zones, and a list of all countries with their calls and zones is indispensable to all radio listeners contacting overseas stations.

The rotary time converter, based on New Zealand time, gives world times for all other countries and indicates whether yesterday or to-morrow. The 50 world time zones are clearly indicated with special groupings for countries not on exact meridians. Post free in special tube, 1/1.

A CHILDREN'S MAN

**New Uncle for Children's
Sunday Service at 2YA**

The children's evening song service from 2YA, Wellington, each Sunday is not to be allowed to lapse. From Sunday, October 22, it will be conducted by "Uncle Charles"—Rev. Mr. Charles Wickham, who was known in England as "a children's man."

As minister at Penzance, Plymouth, Torquay, and in four London churches, he always specialised in children's work. For a number of years he was an honorary lecturer for the Sunday School Union, Old Bailey. As president of the Christian Endeavour Union of N.E. London he addressed on one occasion 2000 juniors in Mr. Spurgeon's tabernacle. During the holiday month each year he was a worker at Land Services, giving chalk talks and object lessons.

Mr. Wickham is the author of a small handbook on "Our Master's Methods of Pictorial Teaching" and he follows this in giving his teaching in parables and pictures. Having visited Athens, Egypt and the Holy Land he is able

to explain Eastern customs and to draw and paint the sacred scene while giving an address. Seven years ago he was invited to serve the Youth Workers of Geelong for six months as an expert lecturer on child psychology. After that he came to New Zealand, where he has visited most of the cities preaching and lecturing. In Wellington during two winters he gave the teachers of the Sunday School Union a course of lectures on the art of teaching and child study. He has for three years given the Nelson Bible lesson in the day schools here. After he had addressed the students of Auckland Grammar School the principal wrote of his talk: "I do not remember having heard so much wisdom and sound logic in so few words."
