This is the album everyone is talking about...

# Meat Loaf

## 'BAT OUT OF HELL'

-rock 'n' roll hell on wheels!

A debut album  
strong enough to  
raise the Titanic,  
big enough to flatten  
Everest. Featuring the  
new single 'You Took The  
Words Right Out Of My Mouth'  
it is an album by which others  
will be judged.
