

Before you is a pictorial collection of *Interesting Records*. It is only a small sampling of what we have in 78's, 10" and 12" LP's, cassettes, EP's, 45's or anything with a musical bent; be it rare or hard to find, new or used, local or imported. The idea is, if you can't find it and you're having trouble making yourself understood at your local record shop, phone Auckland 790-812 or write to *Interesting Records*, PO Box 68-566, Newton, Auckland. We may be able to help.
