Yay! Issue 2 is here — lots more colour photos — three **Mockers**, one **Eddie Murphy**, two **Chicks**, new **Dance Exponents** drummer etc. And once again there's two classic black & white posters — **Ziggy** period **Bowie** and 1975 **Lou Reed**. New features include **BrainShake!** (wordfinder), **Shake! Answers Back!** (answers to readers' questions), **Andrew Fagan** reviews 45s, **MIX** a funky news column. There's a **Wham!** centre-pages-pin-up, the **Sixties Mod Experience** recalled by **Rob White**, an interview with ace rock photographer **Denis O'Regan** (about his photography and his touring with **Duran Duran**), **Movie** news, a **Narcs** Lowdown, a young person's guide to the **Dunedin Scene** and lots more but it's 3am and ...
