Don't wait for your amp to die on the gig. And don't put up with its wimpy, half-hearted performance any longer. Sure you want a new Boogie... but if you can't afford one

right now, you should up-grade your present amp with our tubes and speakers. It's simple: MESA-Boogie builds amplifiers recognized the world over for top quality and performance. So naturally we know better than anyone else what tubes and speakers work best. And they can make a **huge** difference in **your** amp.

MESA ENGINEERING TUBES

MESA STR TUBES are now available for Marshall, Fender, Peavy, Music Man, Ampeg... and of course Boogie. Each MESA STR Power Tube undergoes a multi-test program, created just for music professionals. All tubes are precisely matched: Weak ones are rejected... not graded 1 through 10 and matched to others that are equally weak. We give you the straight facts, with better quality, better prices, and a better warranty: **six full months**. So go ahead... beef-up your amp's performance.

EVM-Black Shadow

The World's Finest Speaker. Period. By featuring them in the Boogies, we've helped establish these cast frame monsters as the industry standard—the premier—against which all others are now judged. The fact is, their fat low end and refined highs make any amp sound bigger, bolder, warmer, punchier and more satisfying. And for an explosive 4x12, install just two along with your Celestions. Check it out: The EVM-Black Shadows make the very best quality so much more affordable... in four full-range versions: 200 watt 10", 12" & 15" plus our new 400 watt 15"!

MESA-Black Shadow

This speaker is a sleeper. It delivers more amazing sonic quality and high-power performance—per dollar—than any other. We've blended together the best of speaker features into this responsive, broad ranging driver. It can sound warm, shimmering, smooth and clear or rude, biting and aggressive! A "no sweat" 150 watt rating makes this the heavy-weight challenger whose beefy sound complements any high-power amp. An outstanding performance value—that's available nowhere else. And it's at a price that's unbelievable!
