Cats on Tour

Following their record-breaking weekend at the Gluepot recently, When the Cat's Away goes on a na-

tionwide tour this month. The tour finishes up at Auckland's His Majesty's, where from May 15 to 23 they'll be part of a 10-show cabaret *Disturbing the Peace*. Also featured are Limbs, the Topp Twins, and illusionist Tim Woon. The Cats show is a stunning, rollicking two hour rock cabaret featuring dozens of favourite songs — including many NZ classics — sung by five top female vocalists (from left): Dianne Swann, Debbie Harwood, Kim Wiloughby, Margaret Ulrich and Annie Crummer.
