THE FALL BEND SINISTER

BEGA75/BEGC75

"... an album of supreme stature" *Record Mirror*
"It's a noise to lose yourself in, something that clouds the mind, roughs you up a bit and leaves you a little deranged". *Melody Maker*

XTC SKYLARKING

V2399/TCV2399/CDV2399

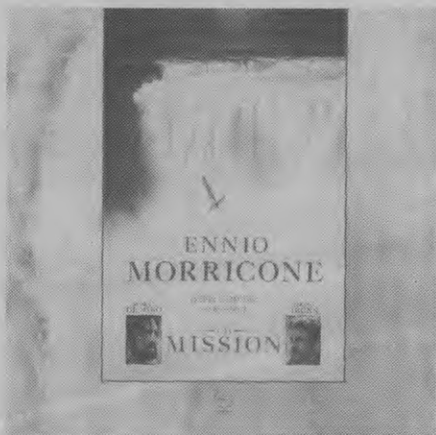

"'Skylarking' deserves to knock the Madonnas and Five Stars off the top, and stay there until the next one comes out." *Record Mirror*
Produced by Todd Rundgren. XTC back catalogue now available on import LP and CD.

MICRODISNEY CROOKED MILE

V2415/TCV2415/
CDV2415

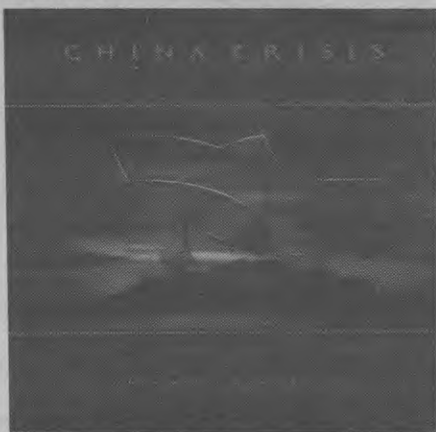

"A band to delight the inquisitive." *Music Week*
"'Crooked Mile' is the sound of coffee tables getting their formica burnt off and what a pleasantly incongruous sound it is." *Sounds*

THE OTHER ONES THE OTHER ONES

V2404/TCV2404/
CDV2404

Debut album from this Antipodean-Deutsch sextet. The Other Ones look great and write good pop songs which is surely enough to be getting on with. "Definitely six of the best for '87". *Music Week*

CHINA CRISIS WHAT PRICE PARADISE

V2410/TCV2410/CDV2410

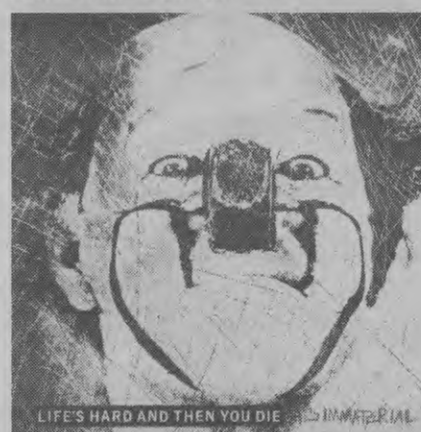

"China Crisis are past masters at making these smooth, insidious numbers, full of catchy hooks and an offbeat character that is both engaging and unforgettable. Expertly produced by Clive Langer and Alan Winstanley". *Music Week*

KILLING JOKE BRIGHTER THAN A THOUSAND SUNS

EGLP66/EGMC66/EGCD66

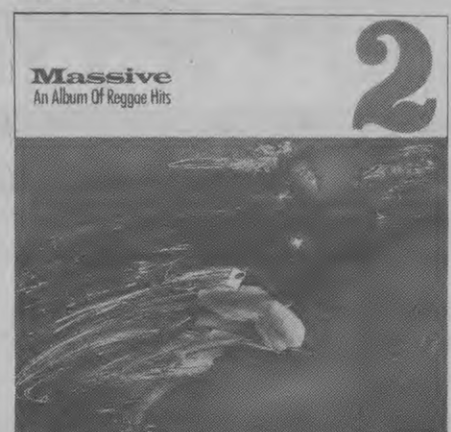

Their 6th album and represents yet another major move forward to a more accessible vision of the Killing Joke music ethic.

IT'S IMMATERIAL LIFE'S HARD AND THEN YOU DIE

SIRENLP4/SIRENC4/
SIRENCD4

"'Life's Hard And Then You Die' is the awkward scream that lurks in every modern heart, it's a tribute to the common man, his troubles, his fears and his passive acceptance of them. It's not a brilliant album, that's too extreme an adjective for It's Immaterial's humble modesty to aspire to. Let's just say it's very good". *Sounds*
