RIMS™

(Resonance Isolation Mounting System)

LEADERS IN SUSPENDED SOUND DRUMMERS

The most phenomenal and genuine advancement in drum sound since the drum stick! Dramatic improvement in tone and clarity, with greater projection and more bottom end 'punch'. No longer the 'secret edge' of top professional drummers.

Used and endorsed by Gretsch, Nobel & Cooley, Drum Workshop, Remo, and the world's great drummers.

Audition them at

HARBORNE & ARTHUR
MUSIC CENTRE
228 Ponsonby Rd
Ponsonby, Auckland.
