NEW RELEASES

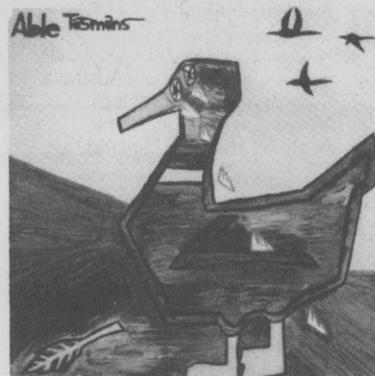

THE VERLAINES 'Bird Dog'

The second LP from Dunedin's garage poets, 'Bird Dog' continues their unique blending of roots rock and orchestral arrangements. Full-colour gatefold sleeve, also available on cassette.

THE BATS 'Daddy's Highway'

At last Christchurch's country rockers merge with a full LP of their pop magic. Recorded in Glasgow and CHCH, this features the fab. single 'Block of Wood' and 11 other great tracks — a big treat for Christmas. Also on cassette.

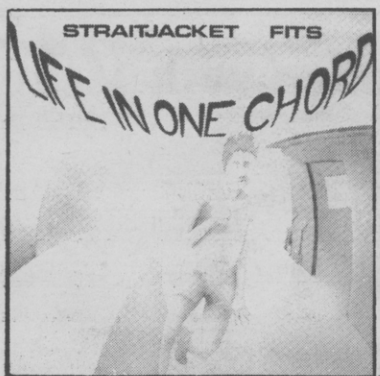

THE ABLE TASMANS 'A Cuppa Tea and a Lie Down'

Keyboard-lead Auckland pop ensemble's first album, and it's a choice one. The Tasmans are an unusual blend of cheerful melody and introspective atmospheric, with, as the band themselves say "a fair bit of Yee-Ha inbetween". Can't say it fairer than that. Soon to be available on cassette as well.

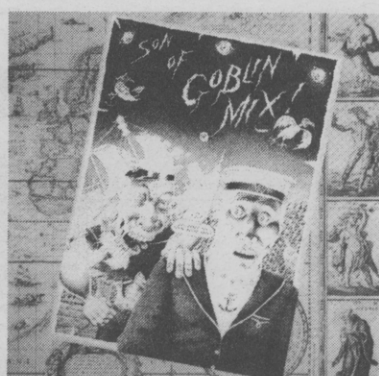

THE JEAN-PAUL SARTRE EXPERIENCE 'Love Songs'

The enigmatic Experience star in an album of their unique and essential pop/funk classics. They come on like hellbent hoodlums, but play with a sensitivity and restraint that makes you go all gooey inside. Features 'I Like Rain' and 'Crap Rap' — as seen on TV, folks.

THE STRAITJACKET FITS 'Life in One Chord'

Debut EP from these well-pedigreed Dunedin Rockers. The band features ex-Doublehappys and Orange members, and combines the best of these sadly defunct combos. Four songs that will leave you begging for more from the best new band in the country. Also on cassette.

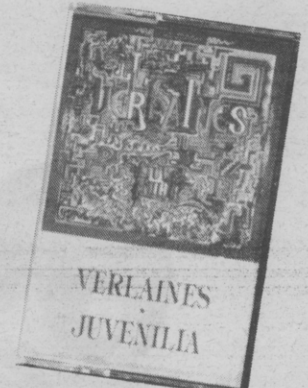

GOBLIN MIX 'The Birth and Death of... '

Late-lamented Auckland psycho-folkies with a farewell mini-LP. Seven songs that will have your toes tappin' as the top flies off your head. A killer.

THE CHILLS 'Brave Words'

And from the band that needs no introductions, at long last the debut album approaches. Due for November release, the LP (recorded earlier this year in London) features twelve great new pop gems. It will also be released on cassette and CD.

THE VERLAINES 'Juvenilia'

Cassette of Previously available tracks culled from pre-'Hallelujah' EP's and singles, some remixed. The recordings that made their enviable reputation. Essential.
