JOHN FOXX

Metamatic

Ex-Ultravox lead singer and composer, delivers his first solo album of which 'Melody Maker' stated: "an album of surprising power — it may not be synthetic perfection, but it's the nearest damn thing so far!"

V2146 TCV2146

SPARKS

Terminal Jive

Highly acclaimed by 'Melody Maker' as the Mael Brothers "best album to date", this latest effort marks the second phase in the collaboration between master producer Giorgio Moroder and Sparks.

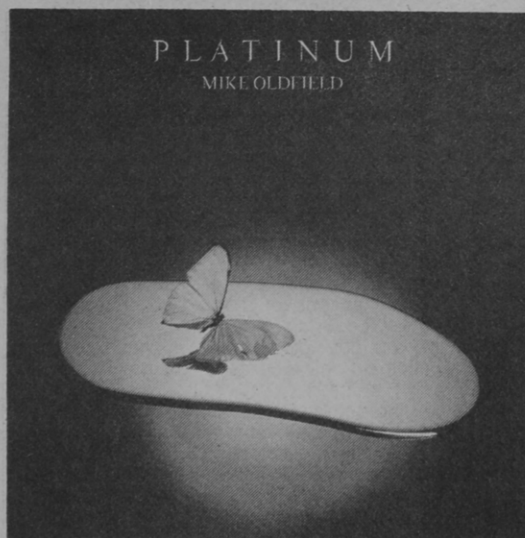

V2137 TCV2137

MIKE OLDFIELD

Platinum

Superb new studio album, "Platinum" portrays Oldfield in a variety of moods. A major event!

V2141 TCV2141

THE MEKONS

The Quality Of Mercy Is Not Strnen

Mekons constitute part of the new fleet of pop protagonists and their ability is showcased on this fine debut. Songs like the heart rending "After 6" are destined to become classics!

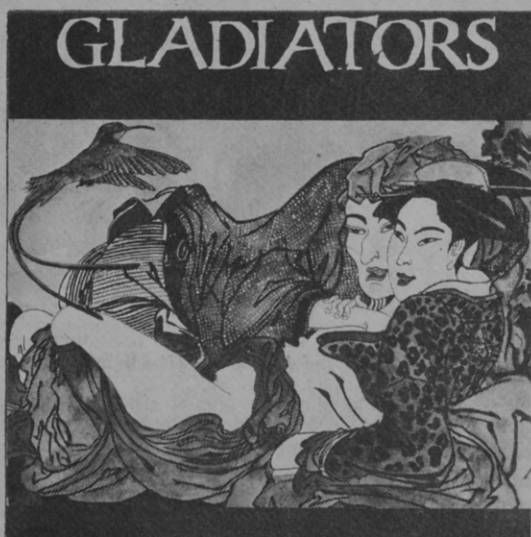

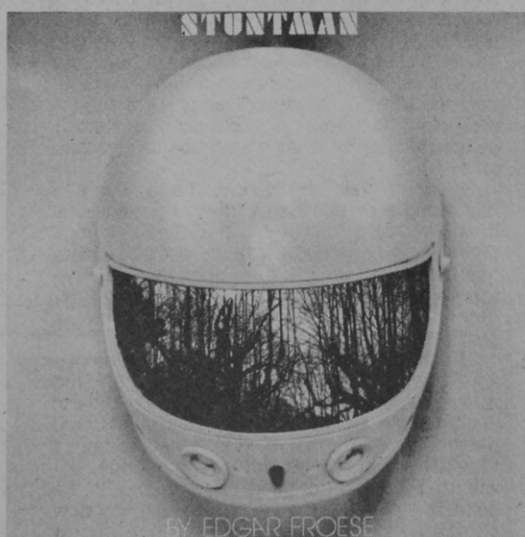

V2143

EDGAR FROESE

Stuntman

Froese, who mined unknown areas in electronic rock with Tangerine Dream, delivers on "Stuntman" some of the finest work he's ever produced, either with the Tangs or on previous solos.

V2139

THE GLADIATORS

Sweet So Till

One of Jamaica's unique vocal trios whose name is synonymous with hard rootsy reggae.
