

The 101ers

ELGIN AVENUE BREAKDOWN

THE 101ers, Elgin Avenue Breakdown

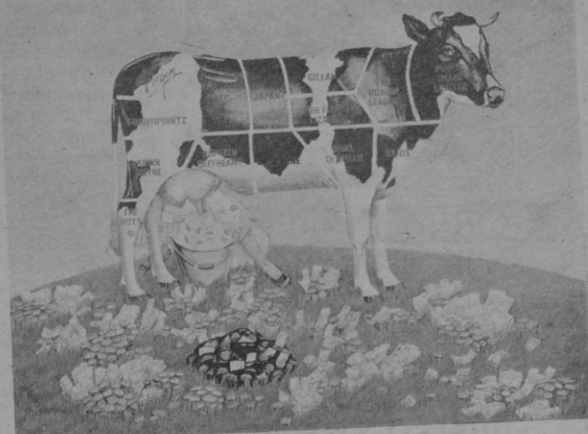

AND 101
Long lost tapes of Joe Strummer's pre Clash days! During the 2 years between 1974 and 1976, The 101ers built up a reputation that in the following years was to take on legendary proportions. If you're hungry for passionate rock'n'roll ... this is it! And it's a real gift at only \$8.99.

THE SOFT BOYS, Underwater Moonlight

ARM 1

Ready for a flirt with fame, The Soft Boys crossover from late 60's rock in the vein of Syd Barrett and sometimes Lou Reed to the British new wave. Their music is slightly avant garde — sort of a Byrds-meet-The Only Ones.

CASH COWS

VARIOUS, Cash Cows

MILK 1

Tasty compilation featuring biggest acts in the Virgin stable. Great value ... Great Artists including XTC, Flying Lizards, Ruts, Japan, Human League, Magazine, Fingerprintz, PIL, Captain Beefheart, Skids and many more.

PLAY.

MAGAZINE

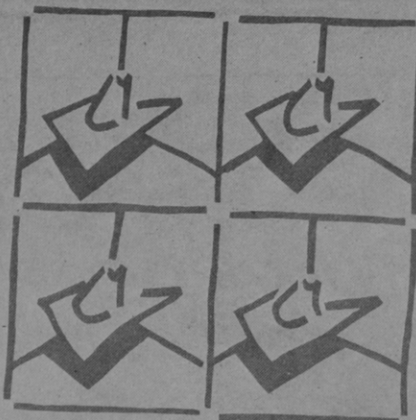

MAGAZINE, Play

V2184 / TCV2184

"Play is magnificent — a live album that breathes real life. It consolidates Magazine's future whilst enhancing their past. Amazingly it joins big sister 'The Correct Use Of Soap' as one of the year's best albums." SOUNDS

PYLON

GYRATE

PYLON, Gyrate

ARM 5

Sensational debut — scored No.1 on the UK Indies charts — Pylon hails from Athens, Georgia (B52's hometown). They've got all the necessary ingredients ... check 'em out!

NASH
THE SLASH

NASH THE SLASH, Children Of The Night

DID9

Nash — the enigmatic bandaged Canadian phenomenon currently astounding the punters on both sides of the Atlantic with his unique persona and majestic one man mastery of violin and mandolin in unison with banks of electronic machinery. Brilliant!

THE RESIDENTS, Commercial Album

RPH 2

For your frustration and delight, the "Commercial Album" is a collection of 40 tracks each lasting 60 seconds ... all wrapped up in the Residents silly and divine production. An exasperating delight! SOUNDS

ORGANISATION
Orchestral Manoeuvres in the Dark

ORCHESTRAL MANOEUVRES IN THE DARK, Organisation

DID6 / DIDC6

A stunning album which went straight in the UK Top 5. OMD who are one of the leading bands to come out of the Liverpool resurgence continue to make a great contribution to contemporary music. A masterpiece we urge you not to miss!

BLACK UHURU

BLACK UHURU, Black Uhuru

ONLY 2

Hailed as one of the most progressive and individual talents on the roots reggae scene. Produced by Sly Dunbar and Robbie Shakespeare who have graduated from being the hottest young rhythm section of the late '70's to being the hottest young production team of the '80's.
