Db's, Repercussion

One of the most exciting bands to emerge in New York — the focal city for the best batch of new rock'n'roll since the new wave of Blondie, Talking Heads, & the Ramones.

JOAN JETT I Love Rock'n'Roll

International Number One Album ... contains smash hits "I Love Rock n Roll" and "Crimson and Clover".

TOM VERLAINE Words From The Front

Ex Television guitarist Tom Verlaine instills in critics & fans the kind of rabid devotion that is usually reserved for saints and visionaries. Witness: "... songs characterised by Mr Verlaine's raw spat-out singing, by the twanging solidity of the massed guitars and their sweet solo flights and off ... yet telling and evocative lyrics. There really isn't anything quite like it around." John Rockwell, 'New York Times'.

TOYAH, The Changeling

The latest brilliant album from Toyah Wilcox ... recently voted "Best Female Singer" in the British Rock & Pop Awards.

COLIN NEWMAN Not To

Totally different from first two but equally as brilliant!

MODERN ENGLISH After The Show

Second excellent album for 4AD, produced by Hugh Jones.

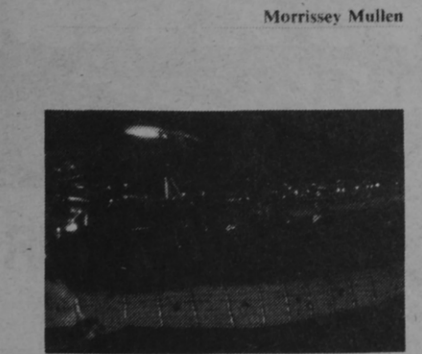

THE DAMNED Damned

Originally released in UK, 18 February 1977, this was the LP that launched the innovative Stiff label. Highly prized collector's item — released in NZ for the first time — by DEMAND!

SEX SWEAT & BLOOD

Finest collection of 'danceability' around ... features Lora Logic, 23 Skidoo, Medium Medium, Ministry and more.

MORRISSEY MULLEN Badness

Highly respected and much sought after British Jazz Funk duo.

HAMBI & THE DANCE Heartache

Excellent debut from Virgin's only Greco-Scouse band (!) produced by Mick Glossop of Skids, Ruts fame.
