# ALL YOU NEED IS LOVE

*"Artists and Composers seek to portray things as they see them, to provide a mirror so clear, that anyone looking in, will see them more clearly." Peter Stafford.*

"All you need is love" a symbolic interpretation of the Lennon-McCartney composition illustrated by Peter Stafford is the latest Edition in the Classic Rock Art Collection by Rock Artists Grant Hanna and Peter Stafford. These are original monochrome lithographic prints, on top quality fine art paper individually signed and numbered by the artists.

Hanna and Stafford have deliberately chosen the exacting medium of pencil illustration to render these thematic works in fine detail and to create effects in harmony with the work of the musicians which could not be achieved in any other way.

Each Edition is limited to a thousand prints before the plates are destroyed to guarantee that no copies or reproduction in any form will be made. Be sure to acquire your Limited Edition print early to avoid disappointment.

If coupon removed write to Mindseye Marketing Machine, P.O. Box 37-509 Parnell, Auckland, NZ. Ph. (09) 34-402.
