

WIN CHAD SMITH'S DRUM KIT

Chad Smith

Most people see him as outrageous. Sometimes he is. Chad has become one of the most original personalities in drumming. Most never see his serious dedication. A dedication to the history of the instrument and a reverence for the drummers that played them. This seriousness is reflected by the sound of the drums he plays. The Masters Series...a sound that is both yesterday and today, but like nothing you've heard before.
