

SOUND BITES

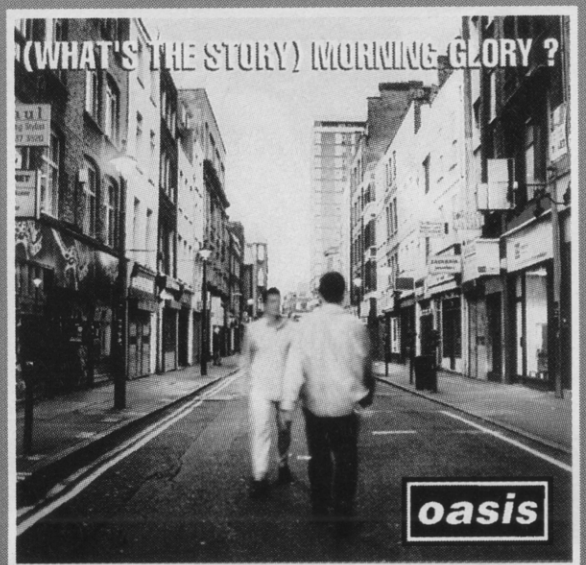

REEF - Replenish

Reef play surfboy fraggle rock with loopy grins and loud guitars. They're young, talented - and the best new band you'll hear in '95.

CYPRESS HILL - 'Temples of Boom

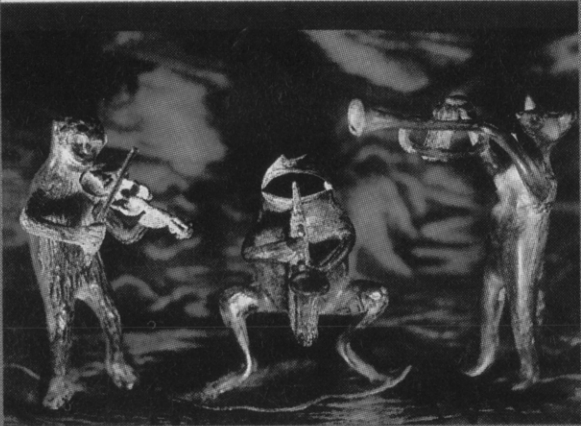

It's been a while but the B Boys of blunt are back on track with 14 new tales of pot and paranoia. You better believe it - this is da shit!

OASIS - What's the Story Morning Glory

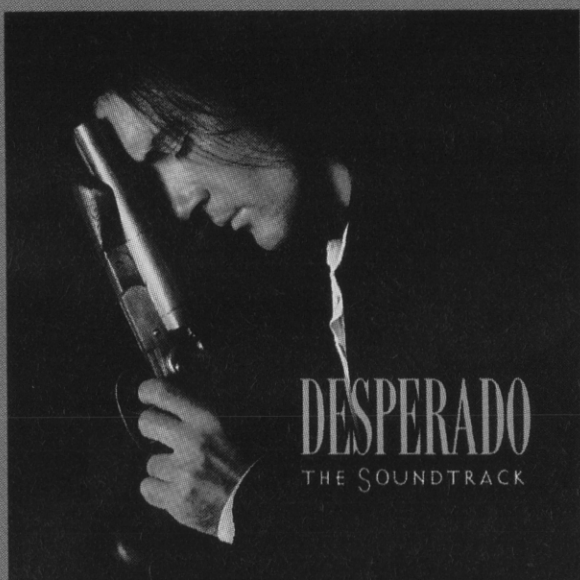

Oasis erase any lingering doubts that they are anything less than the premiere English Rock & Roll band of the present decade. If it takes more than twenty seconds for their songs to sear themselves on your subconscious, you haven't been listening.

The Presidents of the United States of America

THE PRESIDENTS OF THE UNITED STATES OF AMERICA

Founded on the premise that a good time is the only kind worth having, Seattle's Presidents of the United States of America draw on the three great verities of Rock 'n Roll - Fun, Fun and Fun to deliver a 13 point state of the union message. Full of stompin glee and shoutin in the shower melodies, catchy accessible rock music delivered with conviction these Presidents are finally giving people what they want.

DESPERADO - ORIGINAL MOTION PICTURE SOUNDTRACK

The soundtrack album 'Desperado', the new film from writer/director Robert Rodriguez, an eclectic mix of sounds from delicate love ballads to driving guitar workouts. Original score by Los Lobos and song contributions by Tito & the Tarantulas, Carlos Santana and Dire Straits among others. Desperado's music is so perfectly suited to the movie that it takes on a life of its own.

BONE THUGS 'N HARMONY - E1999 ETERNAL

Bone Thugs 'N Harmony is reality rap and street harmony combined. They rap and sing about stealin, hustlin, and scraping to get by. Their style is a mixture of that thug roughness and their street resourcefulness. Together with staccato freestyle rhymes and the late Eazy E on production. The result is a funky strain of hardcore hip hop. Features the top 10 single '1st of Tha Month'.
