

see filled with cupboard, shelves. The luggage is kept there &
the umbrellas & the flap that flew at my gate on the 11th we
gets our parcel from the garden ledge. You felt we were to there, too
there enough garden for you to turn gratter in. At the back we
were your leg. In fact it is the dearest most ideal little
corner - and private - just the next big island.
If Jimmie accept Elmyre's stay on his mile beyond
Chalmers. Then take the furniture to Annunziata for those weeks &
leave Elaine here. He would come up & take away our laundry & by
it back & generally keep our tips in order while we were there. I
mean that was by the way. It only takes 40 minutes to the hotel.
How to back here in September & have a terrific garden. Do you like
the plan? You see we'd know just where we were for that first year.
No money. No more - your rest. No responsibility. You just
- pray get rest & happy & loaf close & garden & play with me &
whistle on the stairs. There are 3 bedrooms and county Elaine room
so you can have a guest if you liked.
Bohly - hold thanks for me. Truly this is a great
thing part. I'm huge like calm but it's not easy with such
bliss in the balance - that's for an immense sum. 6000 francs.
But means you see at the end is 8000 for the year and to finance
at present at 57. Don't a little bit mad? You will find? ISOLABELLA
in paper with my heart. The balls are of 10 minutes ago you in the
sun. no beds with splash board - no open board for you to pick off. Wait
outside with a bun for you with big currant eyes (No bun! mean)
Je t'aime. Bredish is with me the
164.

Katherine Mansfield to J. Middleton Murry from Isola Bella
10 (?) November, 1920.
