

## NOTES ON MANUSCRIPT ACCESSIONS

A SELECTIVE LIST OF ACQUISITIONS DECEMBER 1968 TO DECEMBER 1969

The following list continues the *Note* in the *Record* for November 1968. As before, it is in two main categories, firstly, original manuscripts which have been donated or purchased and secondly, material lent to the Library for photocopying. Because of the volume of photocopies involved it does not include material held in original form in other libraries or copied by the Pacific Manuscripts Bureau or as part of the Australian Joint Copying Programme. However the more important groups of New Zealand manuscripts in Australian libraries which by courtesy of the libraries concerned are being copied following arrangements made by Mr R. F. Grover will be listed in a later issue of the *Record*.
