

Frank Nairn: self-portrait, [186-?].

BARBIE OULFHER, MA, DE KLEIN, is now at the University of Paris VII working on the image of New Zealand in works published in French before 1840. The present list is the product of a year's research in France (1980) on the names of French explorers in New Zealand, some of which she has subsequently prepared for publication by the French Library (see page 67).

JOHN HETZ, BA PHD, MA, BSC, is currently reading for a doctorate in historical bibliography at Darwin College, Cambridge. (See also notes in the October 1985 issue, pages 116 and 132.)
