

FAREWELL TO O.C.

-SPORTS STANTS-

Camp Staff Entertains.

On Wednesday evening the Camp Staff entertained the Camp Commandant in the Cinema. The Camp Staff turned out in force to farewell Lt. Col. Turnbull. S/M. Brier was in charge of the show. The Camp Orchestra provided music for the dancing assisted vocally by Maisie Philpott. The singing of Alf Owen got the usual enthusiastic reception and a new star singer appeared on the Camp's horizon in the person of Alan Pike. Pat Bates amused the gathering with accounts of the difficulties of true love. S/M McQueen paid tribute to the fine work of the OC during his appointment. Jean Dakers and R.S.E. Jackson, for the Camp Staff, presented Col. Turnbull with a teaset and canteen of cutlery. The Camp Commandant in reply thanked the staff for the co-operation which he had received. He drew an amusing picture of what was likely to happen if he could not shake off his ideas on discipline on his return to domestic life. The Camp had had an important, if unspectacular job to do. This it had done, and it had been at the same time a happy Camp. The Colonel was accorded enthusiastic musical honours.

Last Wednesday's play of cricket ended in a victory for our Home team with just a few runs deciding the issue. The result was Papakura 86 - Haventhorpe 69.

In the girls' Baseball, Papakura won by four runs, the final score being Papakura 21 - Haventhorpe 17.

The Haventhorpe lads showed the Papakura men's Baseball team a thing or two that meant the difference of 7 runs.

Haventhorpe 23 - Papakura 16.

When the singer sang to him - was Junior's face red!

Person 1 are warned not to discuss the whereabouts of Camp McNamara. SECURITY!

Is it true that Bakelite Bertie almost put Matron in the running for a wound stripe?

There is no truth in the rumour that the fire brigade is jealous of Cpl. (fireman-save-my-child) Osman.
