

ELEVEN YEAR'S LEAVE

We did not realise until now the advantage in being in charge of the publication of Routine Orders. S/M Manning has seen its possibilities. Marches himself out to eleven years' leave - just like that! Nice work if you can get it.

We're not greedy. We would be quite satisfied with, say, a couple of years' leave with pay & S.A., but friend Manning believes in doing things in a big way.

Any person wanting advice on "hitch-hiking" to town should contact Woll Sakey Dental Hospital.

Why is it Sgt. Smith and Sgt. Donaghy are always on time for meals since H.Q. Sgt's Mess shifted to "B" Block?

Is it to arrive before C/Sgt. Roulston and have the W.....C. Sgts pour out their tea?

The P.T. Staff are pleased to have announced that the Editor will no longer be able to report on their actions. As they are always on Parade at 0830 hrs, he does not see them before he is awake.

(We maintain a cold silence about this vulgar contribution. ED.)

Who was the W.....C. Officer who said that which P.T., N.C.C. had a charming smile - and why?

Lt. Herbert-Jones says that at home they used to order 6d. worth of meat for the cat - Now they order 6d. worth for him.

HOLIDAY LEAVE

As the Easter holidays interfered with the production of "Parade" it has been decided to cut out this and all other holidays in future for all ranks.

CONGRATULATIONS

Capt. J. Kearney's wife has presented him with another daughter. He has two sons overseas and one serving in N.Z.

WARNING

Readers contemplating libel actions against the Editor of "Parade" are advised that such action would not be of much use. His entire wealth consists of an old dictionary, four and ninepence in case and an ounce and a half of tobacco.

"SILENCE"

C Block wish to remain silent in this issue so the other Blocks will have a chance to show their worth as writers. (Obviously a wipe-off. ED.)
